Fortuna Silver Mines Closes US\$69 Million Bought Deal Equity Financing Including Full Exercise of Over-Allotment Option

Vancouver, May 20, 2020 -- **Fortuna Silver Mines Inc. (NYSE: FSM) (TSX: FVI)** (“Fortuna” or the “Company”) announces the closing of its previously announced bought deal equity offering (the “Offering”). A total of 23,000,000 common shares (the “Shares”) were issued at a price of US\$3.00 per Share for gross proceeds to the Company of US\$69,000,000, which includes the exercise, in full, of the over-allotment option of an additional 3,000,000 Shares.

The Offering was conducted through a syndicate of underwriters led by Scotiabank and BMO Capital Markets, and including PI Financial, CIBC Capital Markets and National Bank Financial.

The Offering was completed by way of prospectus supplement to the Company’s final base shelf prospectus dated April 29, 2020, filed in each of the provinces of Canada, except Québec, and in the United States on a private placement basis pursuant to an exemption from the registration requirements of the United States Securities Act of 1933, as amended.

The Company intends to use the net proceeds of the Offering to fund remaining construction and preproduction related expenditures at its Lindero gold project in Argentina and for general working capital purposes.

This news release does not constitute an offer to sell or a solicitation of an offer to buy the securities described herein in the United States or in any other jurisdiction. The securities referred to in this press release have not been and will not be registered under the U.S. Securities Act and may not be offered or sold without registration under the U.S. Securities Act and all applicable state securities laws or compliance with the requirements of an exemption from such registration.

Forward-looking Statements

This news release contains forward-looking statements which constitute "forward-looking information" within the meaning of applicable Canadian securities legislation and "forward-looking statements" within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995 (collectively, "Forward-looking Statements"). All statements included herein, other than statements of historical fact, are Forward-looking Statements and are subject to a variety of known and unknown risks and uncertainties which could cause actual events or results to differ materially from those reflected in the Forward-looking Statements. The Forward-looking Statements in this news release may include, without limitation, statements pertaining to: the use of proceeds from the Offering and the final approval of the Offering from the Toronto Stock Exchange. Often, but not always, these Forward-looking Statements can be identified by the use of words such as "estimated", "potential", "open", "future", "assumed", "projected", "scheduled", "used", "detailed", "has been", "gain", "planned", "reflecting", "will", "containing", "remaining", "to be", or statements that events, "could" or "should" occur or be achieved and similar expressions, including negative variations.

Forward-looking Statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to be materially different from any results, performance or achievements expressed or implied by the Forward-looking Statements. Such uncertainties and factors include, among others, the worldwide economic and social impact of COVID-19, the duration and extent of COVID-19, changes in general economic conditions and financial markets; the re-imposition of government restrictions on business related to COVID-19; any positive cases of COVID-19 at the Company's mine sites which may cause a reduction or suspension in operations; changes in prices for silver and other metals; technological and operational hazards in Fortuna's mining and mine development activities; risks inherent in mineral exploration; uncertainties inherent in the estimation of mineral reserves, mineral resources, and metal recoveries; changes to current estimates of mineral reserves and resources; changes to production estimates; governmental and other approvals; changes in government, political unrest or instability in countries where Fortuna is active; labor relations issues; as well as those factors discussed under "Risk Factors" in the Company's Annual Information Form. Although the Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in Forward-looking Statements, there may be other factors that cause actions, events or results to differ from those anticipated, estimated or intended.

Forward-looking Statements contained herein are based on the assumptions, beliefs, expectations and opinions of management, including but not limited to the management of the worldwide economic and social impact of COVID-19, that the duration and extent of COVID-19 is minimized and not long-term, the expected trends in mineral prices and currency exchange rates; the accuracy of the Company's current mineral resource and reserve estimates; that the Company's activities will be in accordance with the Company's public statements and stated goals; that there will be no material adverse change affecting the Company or its properties; that all required approvals will be obtained; that there will be no significant disruptions affecting operations; how the Company will use the proceeds from the Offering; the final approval of the Offering from the Toronto Stock Exchange and such other assumptions as set out herein. Forward-looking Statements are made as of the date hereof and the Company disclaims any obligation to update any Forward-looking Statements, whether as a result of new information, future events or results or otherwise, except as required by law. There can be no assurance that that these Forward-looking Statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, investors should not place undue reliance on Forward-looking Statements.
